**Part X Public Charity Status**

Part X is designed to classify you as an organization that is either a private foundation or a public charity. Public charity status is a more favorable tax status than private foundation status. If you are a private foundation, Part X is designed to further determine whether you are a private operating foundation. (See instructions.)

1a Are you a private foundation? If Yes, go to line 1b. If No, go to line 5 and proceed as instructed.

- Yes
- No

b As a private foundation, section 509(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check the box to confirm that your organizing document meets this requirement, whether by express provision or by reliance on operation of state law. Attach a statement that describes specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document or by operation of state law. See the instructions, including Appendix B, for information about the special provisions that need to be contained in your organizing document.

Go to line 2.

2 Are you a private operating foundation? To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations. If Yes, go to line 3. If No, continue to line 2.

- Yes
- No

3 Have you existed for one or more years? If Yes, attach financial information showing that you are a private operating foundation; go to the signature section of Part XI. If No, continue to line 4.

- Yes
- No

4 Have you attached either (1) an affidavit or opinion of counsel, (including a written affidavit or opinion from a certified public accountant or accounting firm with expertise regarding this tax law matter), that sets forth facts concerning your operations and support to demonstrate that you are likely to satisfy the requirements to be classified as a private operating foundation; or (2) a statement describing your proposed operations as a private operating foundation?

- Yes
- No

5 If you answered No to line 1a, indicate the type of public charity status you are requesting by checking one of the choices below. You may check only one box.

- a 509(a)(1) and 170(b)(1)(A)(i)—a church or a convention or association of churches. Complete and attach Schedule A.

The assessment period will be extended for the 5 advance ruling years to 8 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, Extending the Tax Assessment Period, provides a more detailed explanation of your rights and the consequences of the choices you make. Except as permitted by law, no substantial part of the activities of this corporation shall consist of the carrying on of propaganda or otherwise attempting to influence legislation, nor shall this corporation participate in, or intervene in (including the publication or distribution of statements), any political campaign on behalf of or in opposition to any candidate for public office.

ARTICLE VI

The property of this corporation is irrevocably dedicated to charitable purposes, and no part of the net income or assets of this corporation shall ever inure to the benefit of any director, officer, or member, if any, of this corporation, or any other private person. Upon the winding up and dissolution of this corporation and after paying or adequately providing for the debts and obligations of this corporation, the remaining assets shall be distributed to a nonprofit fund, foundation, or corporation which is organized and operated exclusively for charitable purposes and that has established its tax-exempt status under Section 501(c)(3) of the Code.

ARTICLE VII

Any amendment to Article I or Article II of these Articles of Incorporation shall require the written approval of the Mr. and Mrs. S.H. Wong Foundation; provided, however, that in the event that the Mr. and Mrs. S.H. Wong Foundation ceases to exist, any amendment to Article I or Article II of these Articles of Incorporation shall require the affirmative vote of all of the directors of this corporation then in office. No amendment to these Articles of Incorporation affecting the rights or identity of Mr. and Mrs. S.H. Wong Foundation as the Designator, as defined in the Bylaws of this corporation, shall be valid or become effective without the written approval of the Mr. and Mrs. S.H. Wong Foundation.

THE MR. & MRS. S.H. WONG CENTER FOR
THE STUDY OF MULTINATIONAL CORPORATIONS

ARTICLE I
PRINCIPAL OFFICE

The principal office of this corporation shall be located in the county of Contra Costa.

ARTICLE II
MEMBERSHIP

This corporation shall have no voting members, but the Board of Directors may, by resolution, establish one or more classes of nonvoting members and provide for eligibility requirements for membership and rights and duties of members, including the obligation to pay dues.

ARTICLE III
BOARD OF DIRECTORS

Section 1. Powers. This corporation shall have powers to the full extent allowed by law. All powers and activities of this corporation shall be exercised and managed by the Board of Directors of this corporation directly or, if delegated, under the ultimate direction of the Board.

Section 2. Number of Directors. The number of directors shall be not less than four nor more than seven, with the exact authorized number of directors to be fixed from time to time by resolution of the Board of Directors.

Section 3. Limitations on Interested Persons. At all times, not more than 49% of the directors of this corporation may be interested persons. An interested person means either:

(a) any person currently being compensated by this corporation for services rendered to it within the previous twelve months, whether as a full-time or part-time employee, independent contractor, or otherwise, excluding any reasonable compensation paid to a director in his or her capacity as director; or

(b) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person.
Section 4. Election, Designation, and Term of Office of Directors.

A. In General. Except for the initial directors named by the incorporator and except for any director designated as provided in paragraph C of this Section 4, the directors of this corporation shall elect their successors (such directors, “Elected Directors”). Each Elected Director shall be elected for a term of three years and shall hold office until a successor has been elected, unless the Elected Director earlier resigns or is removed in accordance with Section 6 of these Bylaws.

B. Staggered Terms. One-third of the total authorized number of Elected Directors shall be elected in each year. If the total authorized number of Elected Directors at any time shall not be evenly divisible by three so that a different number of directors must be elected one year out of every three, this different number shall be elected in every third year after 2016. Whenever a new Elected Director position is authorized as provided in Article III, Section 2, the Board shall select, in advance of electing a director to fill that position, an initial term for that position of one, two, or three years so that approximately one-third of Elected Directors’ terms shall expire each year.

C. Designated Director. Notwithstanding the foregoing, for as long as it is in existence, the Designator referred to in these Bylaws shall be the Mr. and Mrs. S.H. Wong Foundation, a Hong Kong company limited by guarantee acting through a duly authorized representative. At all times, two of the directors of this corporation shall be individuals designated by the Designator (the “Designated Directors”). All actions of the Designator shall be evidenced by a writing, signed on behalf of the Designator by a duly authorized representative and delivered to the Secretary of this corporation. The Secretary shall file the written designation with the proceedings of the Board of Directors of this corporation. The effective date of any such designation shall be as provided therein. Any Designated Director may be designated for any term prescribed in the written designation; if no such term is prescribed, a Designated Director shall serve until he or she resigns or is removed.

Section 5. Vacancies. A vacancy shall be deemed to exist on the Board in the event that the actual number of directors is less than the authorized number for any reason. Vacancies in the number of Elected Directors in office may be filled by the remaining directors (including the Designated Directors) for the unexpired portion of the term.

Section 6. Resignation and Removal. Resignations shall be effective upon receipt in writing by the Chair of the Board (if any), the Executive Director (if any), the Secretary, or the Board of Directors of this corporation, unless a later effective date is specified in the resignation. The Board of Directors, by a vote of a majority of the directors then in office may remove with or without cause any Elected Director at any time; provided, however, that for as long as the Designator remains in existence, the removal of a Designated Director shall be effective only with the written consent of the Designator.

Section 7. Annual Meetings. A meeting of the Board of Directors shall be held at least once a year. Annual meetings shall be called by the Chair of the Board (if any), the Executive Director (if any), or any two directors, and noticed in accordance with Section 9.
Section 8. **Special Meetings.** Special meetings of the Board of Directors may be called by the Chair of the Board (if any), the Executive Director (if any), or any two directors, and noticed in accordance with Section 9.

Section 9. **Notice.** Notice of the annual meeting and any special meetings of the Board of Directors shall state the date, place, and time of the meeting and shall be given to each director at least four days before any such meeting if given by first-class mail or forty-eight hours before any such meeting if given personally or by telephone, including a voice messaging system, or by other electronic transmission such as e-mail, in compliance with Article IX, Section 5 of these Bylaws.

Section 10. **Waiver of Notice.** The transactions of any meeting of the Board of Directors, however called and noticed and wherever held, shall be valid as though taken at a meeting duly held after proper call and notice, if a quorum is present, and if, either before or after the meeting, each of the directors not present provides a waiver of notice, a consent to holding the meeting, or an approval of the minutes in writing. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting the lack of adequate notice before the meeting or at its commencement.

Section 11. **Quorum.** A majority of the total number of directors then in office shall constitute a quorum, provided that in no event shall the required quorum be less than one-fifth of the authorized number of directors or two directors, whichever is larger. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, except as otherwise provided in Article III, Sections 5 (filling board vacancies), 6 (removing directors) and 12 (taking action without a meeting); Article IV, Section 1 (appointing Board Committees); Article V Sections 2 (electing officers) and 3 (removing officers); Article VI, Section 3 (approving self-dealing transactions); Article VII, Section 2 (approving indemnification); and Article IX, Section 6 (amending Bylaws), of these Bylaws or in the California Nonprofit Public Benefit Corporation Law. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for such meeting.

Section 12. **Action Without a Meeting.** Any action required or permitted to be taken by the Board may be taken without a meeting if all members of the Board shall individually or collectively consent to such action in writing. Such written consents shall be filed with the minutes of the proceedings of the Board, and shall have the same force and effect as the unanimous vote of such directors.

Section 13. **Telephone and Electronic Meetings.** Directors may participate in a meeting through use of conference telephone, electronic video screen communication, or other electronic transmission in compliance with Article IX, Section 5 of these Bylaws so long as all of the following apply:

(a) each director participating in the meeting can communicate with all of the other directors concurrently, and
(b) each director is provided with the means of participating in all matters before the Board, including the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

A. General. A director shall perform the duties of a director, including duties as a member of any Board Committee on which the director may serve, in good faith, in a manner such director believes to be in the best interest of this corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like situation would use under similar circumstances.

In performing the duties of a director, a director shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

(i) one or more officers or employees of this corporation whom the director believes to be reliable and competent as to the matters presented;

(ii) counsel, independent accountants, or other persons as to matters which the director believes to be within such person’s professional or expert competence; or

(iii) a committee upon which the director does not serve that is composed exclusively of any combination of directors or persons described in (i) or (ii) above, as to matters within the committee’s designated authority, provided that the director believes such committee merits confidence;

so long as in any such case, the director acts in good faith after reasonable inquiry when the need therefor is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

Except as provided in Article VI below, a person who performs the duties of a director in accordance with this Section shall have no liability based upon any failure or alleged failure to discharge that person’s obligations as a director, including, without limiting the generality of the foregoing, any actions or omissions which exceed or defeat a public or charitable purpose to which a corporation, or assets held by it, are dedicated.

B. Investments. Except with respect to assets held for use or used directly in carrying out this corporation’s public or charitable activities, in investing, reinvesting, purchasing or acquiring, exchanging, selling, and managing this corporation’s investments, the Board shall adhere to the standards set forth in the preceding paragraph, and shall: (a) consider the charitable purposes of this corporation; (b) avoid speculation, looking to the permanent disposition of the funds, considering the probable income as well as the probable safety of this corporation’s capital; and (c) consider:

(1) General economic conditions;

(2) The possible effect of inflation or deflation;
(3) The expected tax consequences, if any, of investment decisions or strategies;

(4) The role that each investment or course of action plays within the overall portfolio;

(5) The expected total return from income and appreciation of investments;

(6) This corporation's other resources;

(7) The needs of this corporation to make distributions and to preserve capital;

(8) An asset's special relationship or special value, if any, to the charitable purposes of this corporation.

Board decisions about an individual investment shall be made not in isolation but rather in the context of this corporation's portfolio of investments as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to this corporation.

Notwithstanding the above, no investment violates this section where it conforms to: (a) the intent of the donor as expressed in a gift instrument; or (b) provisions authorizing such investment contained in an instrument or agreement pursuant to which the assets were contributed to this corporation.

Section 15. Inspection. Every director shall have the absolute right at any reasonable time to inspect and copy all books, records, and documents, and to inspect the physical properties of this corporation.

Section 16. Director Compensation. The Board of Directors may, by resolution adopted by a majority of the directors then in office, authorize the payment to a director of reasonable compensation for services as a director. The Board may authorize the advance or reimbursement to a director of actual reasonable expenses incurred in carrying out his or her duties as a director, such as for attending meetings of the Board and Board Committees.

Section 17. Executive Compensation Review. The Board of Directors (or a Board Committee) shall review any compensation packages (including all benefits) of the Executive Director, the President, or chief executive officer, and the Treasurer, or chief financial officer, regardless of job title, and shall approve such compensation only after determining that the compensation is just and reasonable. This review and approval shall occur when such officer is hired, when the term of employment of such officer is renewed or extended, and when the compensation of such officer is modified, unless the modification applies to substantially all of the employees of this corporation.
ARTICLE IV
COMMITTEES

Section 1. Board Committees. The Board of Directors may, by resolution adopted by a majority of the directors then in office, create any number of Board Committees, each consisting of two or more directors, and only of directors, to serve at the pleasure of the Board. Appointments to any Board Committee shall be by a majority vote of the directors then in office. Board Committees may be given all the authority of the Board, except for the powers to:

(a) set the number of directors within a range specified in these Bylaws;
(b) elect directors or remove directors without cause;
(c) fill vacancies on the Board of Directors or on any Board Committee;
(d) fix compensation of directors for serving on the Board or any Board Committee;
(e) amend or repeal these Bylaws or adopt new Bylaws;
(f) adopt amendments to the Articles of Incorporation of this corporation;
(g) amend or repeal any resolution of the Board of Directors which by its express terms is not so amendable or repealable;
(h) create any other Board Committees or appoint the members of any Board Committees; or
(i) approve any merger, reorganization, voluntary dissolution, or disposition of substantially all of the assets of this corporation.

Section 2. Advisory Committees. The Board of Directors may establish one or more Advisory Committees to the Board. The members of any Advisory Committee may consist of directors or non-directors and may be appointed as the Board determines. Advisory committees may not exercise the authority of the Board to make decisions on behalf of this corporation, but shall be restricted to making recommendations to the Board or Board Committees, and implementing Board or Board Committee decisions and policies under the supervision and control of the Board or Board Committee.

Section 3. Committee Supervision and Reliance. If a committee is composed and appointed as required by Section 1 above (concerning Board Committees), it may act with the authority of the Board to the extent and with the scope provided by the Board. Otherwise, the Board of Directors shall remain responsible for oversight and supervision of the committee as an Advisory Committee. If a committee meets the criteria of Article III, Section 14.A.(iii), the individual directors may rely on it in discharging their fiduciary duties as provided in that Section.
Section 4. Audit Committee. For any tax year in which this corporation has gross revenues of $2 million or more, this corporation shall have an Audit Committee whose members shall be appointed by the Board of Directors, and who may include both directors and non-directors, subject to the following limitations: (a) members of the finance committee, if any, shall constitute less than one-half of the membership of the Audit Committee; (b) the chair of the Audit Committee may not be a member of the Finance Committee, if any; (c) the Audit Committee may not include any member of the staff, including the President or chief executive officer and Treasurer or chief financial officer; (d) the Audit Committee may not include any person who has a material financial interest in any entity doing business with this corporation; and (e) Audit Committee members who are not directors may not receive compensation greater than the compensation paid to directors for their Board service.

The Audit Committee shall: (1) recommend to the full Board of Directors for approval the retention and, when appropriate, the termination of an independent certified public accountant to serve as auditor, (2) subject to approval of the full Board, negotiate the compensation of the auditor on behalf of the Board, (3) confer with the auditor to satisfy the Audit Committee members that the financial affairs of this corporation are in order, (4) review and determine whether to accept the audit, and (5) approve performance of any non-audit services provided to this corporation by the auditor’s firm.

Section 5. Meetings.

A. Of Board Committees. Meetings and actions of Board Committees shall be governed by and held and taken in accordance with the provisions of Article III of these Bylaws concerning meetings and actions of the Board of Directors, with such changes in the content of those Bylaws as are necessary to substitute the Board Committee and its members for the Board of Directors and its members. Minutes shall be kept of each meeting of any Board Committee and shall be filed with the corporate records.

B. Of Advisory Committees. Subject to the authority of the Board of Directors, Advisory Committees may determine their own meeting rules and whether minutes shall be kept.

The Board of Directors may adopt rules for the governance of any Board or Advisory Committee not inconsistent with the provisions of these Bylaws.

ARTICLE V
OFFICERS

Section 1. Officers. The officers of this corporation shall be a Chair, an Executive Director, a Secretary, and a Treasurer. The corporation may also have, at the discretion of the directors, such other officers as may be appointed by the Board of Directors. Any number of offices may be held by the same person, except that the Secretary, the Treasurer, or the chief financial officer, if any, may not serve concurrently as the President, chief executive officer, or Chair of the Board, if any.
Section 2. Election. Except for the initial officers appointed by the incorporator, the officers of this corporation shall be elected every three years by the Board of Directors, and each shall serve at the pleasure of the Board, subject to the rights, if any, of an officer under any contract of employment; provided, however, that for as long as the Designator is in existence, the Board's selection of the Executive Director of this corporation shall be subject to the Designator's approval, which the Designator may withhold in its complete and sole discretion; further provided, however, that in the event that the Designator ceases to exist, the selection of the Executive Director shall require the vote of a majority of the directors then in office or the unanimous written consent of the directors.

Section 3. Removal. Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, with or without cause, by the Board of Directors or by an officer on whom such power of removal may be conferred by the Board of Directors; provided, however, that the removal of the Executive Director shall require the affirmative vote of a majority of the directors then in office.

Section 4. Resignation. Any officer may resign at any time by giving written notice to this corporation. Any resignation shall take effect on receipt of that notice by any other officer than the person resigning or at any later time specified by that notice and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of this corporation under any contract to which the officer is a party.

Section 5. Vacancies. A vacancy in any office for any reason shall be filled in the same manner as these Bylaws provide for election to that office.

Section 6. Chair of the Board. The Chair of the Board shall preside at all meetings of the Board of Directors and shall have such other powers and duties as may be prescribed by the Board or these Bylaws.

Section 7. Executive Director. The Executive Director shall be the chief executive officer of this corporation and shall, subject to control of the Board, generally supervise, direct and control the business and other officers of this corporation. The Executive Director shall have the general powers and duties of management usually vested in the office of chief executive officer and President of the corporation and shall have such other powers and duties as may be prescribed by the Board or these Bylaws.

Section 8. Secretary. The Secretary shall supervise the keeping of a full and complete record of the proceedings of the Board of Directors and its committees, shall supervise the giving of such notices as may be proper or necessary, shall supervise the keeping of the minute books of this corporation, and shall have such other powers and duties as may be prescribed by the Board or these Bylaws.

Section 9. Treasurer. The Treasurer shall be the chief financial officer of this corporation and shall supervise the charge and custody of all funds of this corporation, the deposit of such funds in the manner prescribed by the Board of Directors, and the keeping and maintaining of adequate and correct accounts of this corporation's properties and business.
transactions, shall render reports and accountings as required, and shall have such other powers and duties as may be prescribed by the Board or these Bylaws.

ARTICLE VI
CERTAIN TRANSACTIONS

Section 1. Loans. Except as permitted by Section 5236 of the California Nonprofit Public Benefit Corporation Law, this corporation shall not make any loan of money or property to, or guarantee the obligation of, any director or officer; provided, however, that this corporation may advance money to a director or officer of this corporation or any subsidiary for expenses reasonably anticipated to be incurred in performance of the duties of such director or officer so long as such individual would be entitled to be reimbursed for such expenses absent that advance.

Section 2. Self-Dealing Transactions. Except as provided in Section 3 below, the Board of Directors shall not approve, or permit the corporation to engage in, any self-dealing transaction. A self-dealing transaction is a transaction to which this corporation is a party and in which one or more of its directors has a material financial interest, unless the transaction comes within California Corporations Code Section 5233(b).

Section 3. Approval. This corporation may engage in a self-dealing transaction if the transaction is approved by a court or by the Attorney General. This corporation may also engage in a self-dealing transaction if the Board determines, before the transaction, that (a) this corporation is entering into the transaction for its own benefit; (b) the transaction is fair and reasonable to this corporation at the time; and (c) after reasonable investigation, the Board determines that it could not have obtained a more advantageous arrangement with reasonable effort under the circumstances. Such determinations must be made by the Board in good faith, with knowledge of the material facts concerning the transaction and the director’s interest in the transaction, and by a vote of a majority of the directors then in office, without counting the vote of the interested director or directors.

Where it is not reasonably practicable to obtain approval of the Board before entering into a self-dealing transaction, a Board Committee may approve such transaction in a manner consistent with the requirements above; provided that, at its next meeting, the full Board determines in good faith that the Board Committee’s approval of the transaction was consistent with the requirements above and that it was not reasonably practical to obtain advance approval by the full Board, and ratifies the transaction by a majority of the directors then in office without the vote of any interested director.

ARTICLE VII
INDEMNIFICATION AND INSURANCE

Section 1. Right of Indemnity. To the fullest extent allowed by Section 5238 of the California Nonprofit Public Benefit Corporation Law, this corporation shall indemnify its agents, in connection with any proceeding, and in accordance with Section 5238. For purposes of this Article, “agent” shall have the same meaning as in Section 5238(a), including directors,
officers, employees, other agents, and persons formerly occupying such positions; “proceeding” shall have the same meaning as in Section 5238(a), including any threatened action or investigation under Section 5233 or brought by the Attorney General; and “expenses” shall have the same meaning as in Section 5238(a), including reasonable attorneys’ fees.

Section 2. Approval of Indemnity. On written request to the Board of Directors in each specific case by any agent seeking indemnification, to the extent that the agent has been successful on the merits, the Board shall promptly authorize indemnification in accordance with Section 5238(d). Otherwise, the Board shall promptly determine, by a majority vote of a quorum consisting of directors who are not parties to the proceeding, whether, in the specific case, the agent has met the applicable standard of conduct stated in Section 5238(b) or Section 5238(c), and, if so, shall authorize indemnification to the extent permitted thereby.

Section 3. Advancing Expenses. The Board of Directors may authorize the advance of expenses incurred by or on behalf of an agent of this corporation in defending any proceeding prior to final disposition, if the Board finds that:

(a) the requested advances are reasonable in amount under the circumstances; and

(b) before any advance is made, the agent will submit a written undertaking satisfactory to the Board to repay the advance unless it is ultimately determined that the agent is entitled to indemnification for the expenses under this Article.

The Board shall determine whether the undertaking must be secured, and whether interest shall accrue on the obligation created thereby.

Section 4. Insurance. The Board of Directors may adopt a resolution authorizing the purchase of insurance on behalf of any agent against any liability asserted against or incurred by the agent in such capacity or arising out of the agent’s status as such, and such insurance may provide for coverage against liabilities beyond this corporation’s power to indemnify the agent under law.

ARTICLE VIII
GRANTS ADMINISTRATION

Section 1. Purpose of Grants. This corporation shall have the power to make grants and contributions and to render other financial assistance for the purposes expressed in this corporation’s Articles of Incorporation.

Section 2. Board of Directors Oversight. The Board of Directors shall exercise itself, or delegate, subject to its supervision, control over grants, contributions, and other financial assistance provided by this corporation. The Board shall approve a process for reviewing and approving or declining all requests for funds made to this corporation, which shall require such requests to specify the use to which the funds will be put, include a mechanism for regular Board review of all grants, and provide the circumstances under which a grantee will be required to furnish a periodic accounting to show that the funds were expended for the purposes
for which the grant was made. The Board shall similarly approve a process for authorizing payment of duly approved grants to the approved grantee.

Section 3. **Refusal; Withdrawal.** The Board of Directors, in its absolute discretion, shall have the right to refuse to make any grants or contributions, or to render other financial assistance, for any or all of the purposes for which the funds are requested. In addition, the Board, in its absolute discretion, shall have the right to withdraw its approval of any grant at any time and use the funds for other purposes within the scope of the purposes expressed in this corporation’s Articles of Incorporation, subject to any rights of third parties under any contract relating to such grant.

Section 4. **Restrictions on Contributions.** Unless otherwise determined by resolution of the Board of Directors in particular cases, this corporation shall retain complete control and discretion over the use of all contributions it receives, subject only to any charitable trust restrictions that apply to such contributions, and all contributions received by this corporation from solicitations for specific grants shall be regarded as for the use of this corporation and not for any particular organization or individual mentioned in the solicitation. This corporation may accept contributions earmarked by the donor exclusively for allocation to one or more foreign organizations or individuals only if the Board of Directors of this corporation, or the person to whom it has delegated such authority, has approved in advance the charitable activity for which the contribution was made.

**ARTICLE IX**

**MISCELLANEOUS**

financial interest, and which transactions in the aggregate involved more than $50,000, as well as
the amount and circumstances of any indemnifications or advances aggregating more than
$10,000 paid during the fiscal year to any director or officer of this corporation. For each

Section 4. Required Financial Audits. This corporation shall obtain a

electronic transmissions from the corporation, the corporation has obtained an unrevoked written
consent from the recipient to the use of such means of communication; (ii) for electronic

the sender is the individual purporting to have sent such transmission; and (iii) the transmission
creates a record that can be retained, retrieved, reviewed, and rendered into clearly legible
tangible form.

Section 6. Amendments. Proposed amendments to these Bylaws shall be
submitted in writing to the directors at least one week in advance of any Board meeting at which
they will be considered for adoption. The vote of a majority of directors then in office or the
unanimous written consent of the directors shall be required to adopt a bylaw amendment; provided, however, that no amendment to these Bylaws affecting the rights of the Designator hereunder shall take effect without the written consent of the Designator.

Section 7. **Governing Law.** In all matters not specified in these Bylaws, or in the event these Bylaws shall not comply with applicable law, the California Nonprofit Public Benefit Corporation Law as then in effect shall apply.

Part IV: Narrative Description of Past, Present, and Planned Activities.

A. Background

In 2011, President Obama stated that

As the world’s fastest-growing region – and home to more than half the global economy – the Asia Pacific is critical to achieving my highest priority, and that’s creating jobs and opportunity for the American people.¹

Indeed, in 2012 the Asia Pacific region alone accounted for 28% of total U.S. exports to the

world. The increasing interdependence of the U.S. and East Asian economies demands an educated understanding of effective global policy. The collective expertise of international academics and specialists is crucial to ensuring more than just economic stability, but social policy, human rights, and cross-cultural awareness.

At the center of U.S.-Asia relations and economic policy are multinational corporations operating on a global scale and grappling with questions of internet censorship, labor law, corporate social responsibility, regional economic integration, and national sovereignty, among others. Within this context, The Mr. & Mrs. S.H. Wong Center for the Study of Multinational Corporations (the “Center”) was formed as a California nonprofit public benefit corporation, aimed at gathering and disseminating factual and conceptual knowledge on multinational corporations (“MNCs”). In particular, the Center expects to focus its efforts on supporting research and analysis relating to how various political and economic factors affect and shape MNCs investing, operating, or domiciled throughout the East Asia region.

A principal aspect of the Center’s activities will be conducting political economy analysis, which refers to the investigation of how political and economic processes interact in a given society, between and among countries regionally, and between and among countries globally, and how they support or impede the ability to solve particular societal problems that require collective action. A political economy analysis aims to identify the interests and incentives driving the behavior of key actors, how the relationships among these parties develop and change over time, and the steps that can be taken to better address a particular societal issue. Looking at these issues from a political economy perspective can help society develop a clearer understanding of the forces that may be promoting or impeding desired social outcomes and identify actions that may strengthen existing or potential drivers of progress.

The Center is nonpartisan and apolitical and will not advocate for any particular ideological perspective or approach towards the study of MNCs. Likewise, the Center will

---

3 For example, in recent years several academics have applied a political economy analysis to the provision of foreign aid to identify effective means for providing such economic aid to ensure it is used for the intended purposes. Similarly, development agencies, such as the World Bank, have been actively engaged in political economy analyses in recent years in order to identify where and how their strengths can be best applied to achieve their missions. See, e.g., Verena Fritz, “What a political economy perspective can contribute to development effectiveness,” available at http://blogs.worldbank.org/governance/what-a-political-economy-perspective-can-contribute-to-development-effectiveness (last accessed on July 16, 2014).
refrain from engaging in policy advocacy, lobbying, and other similar political activities. The Center will not support research focused on traditional business interests such as, but not limited to, finance, market entry strategies, production, logistics, and sales and marketing. Rather, the Center will serve as an intellectual hub for the study and analysis of how the interplay of particular political and economic conditions may affect a variety of decisions and behaviors of MNCs connected to East Asia, which can have wide-spread implications for society at large. For example, research conducted or sponsored by the Center may focus on matters such as what political and economic circumstances encourage MNCs to meet high-level corporate social responsibility standards, what factors encourage the adoption of particular government foreign investor technology transfer requirements, or whether the presence of MNCs change the foreign policies of host or home countries.

The Center will seek to educate the academic community, business leaders, policymakers, and the general public in a nonpartisan apolitical manner about these issues by publicly disseminating the results of research conducted or sponsored by the Center and generally making information on these topics more readily available to the general public through the specific activities and programs discussed in further detail below. The Center will not conduct research on behalf of, or for the purpose of advocating for, the commercial interests of any MNCs. The Center’s purposes are purely educational, and will not serve the private interests of any entity or individual.

B. Summary of Activities

1. Research, Analysis, and Publications

The Center will conduct original research relating to the political economy of MNCs connected to East Asia in order to better understand how particular political and economic factors influence behaviors and decision-making processes. The Center also anticipates analyzing existing information, and synthesizing it to make it more readily available to the general public (e.g., by preparing regular reports or indexes summarizing such research). The Center may in the future undertake projects to translate East Asian language works on topics related to the Center’s mission to make them more readily available to a wider audience, or publish academic works written by others that relate to its mission. The Center expects that publishing the results of its own research and analysis and other related works will contribute importantly to the Center’s mission to make a material contribution to the public’s understanding of the political economy of MNCs in or from East Asia. See also our supplemental response to Part VIII, Question 10, below.
Although it is too soon to know precisely how the resources of the Center will be allocated in the future, we estimate that the research, analysis, and publications component of the Center’s programs will absorb approximately 85% of the Center’s time, personnel, and funds.

2. **Grantmaking**

*Grants to Organizations*

The Center may make grants to qualified organizations to support activities that further the Center’s exempt purposes. The Center is still in the process of determining the details of its grantmaking program. However, the Center expects it may make grants to charitable and educational organizations that are described in Section 501(c)(3)\(^4\) and are not private foundations. The Center may also make grants to other organizations working on projects that support the Center’s exempt purposes upon the condition that grant funds be used exclusively for charitable, scientific, or educational purposes, with the Center retaining the necessary discretion and control over the grant funds (within the meaning of Revenue Ruling 68-489, 1968-2 C.B. 210).

See our supplemental responses to Part VIII, Questions 13 and 14, below for more information about the Foundation’s grantmaking program for grants to organizations.

*Grants to Individuals*

While the Center has no immediate plans to do so, it will likely eventually award grants to qualified individuals to study and conduct research projects that further the Center’s exempt purposes. Initially, the Center expects that grants will be provided to support the research of one or two senior scholars pursuing such projects annually. Eventually, grants may also be awarded to graduate students pursuing related research. Individual grant recipients will be selected based on their potential to fulfill the mission of the Center. The Center will enter into a written grant agreement with each individual grantee, which generally will restrict the grant funds to costs relating to the conduct of the applicable study or research project. Because the program has not yet been implemented, the Center has not yet determined the size of the grants it may make.

The Center may also award an annual Mr. & Mrs. S.H. Wong Center for the Study of Multinational Corporations Prize to individuals who has published a book that has made an important intellectual contribution to the study and analysis of the political economy of MNCs connected to East Asia. The purpose of this prize will be to encourage study and analysis and

raise awareness about the relevance of this field of study in identifying effective means of addressing societal issues. The Center has not yet determined the specifics of the nomination and selection process. However, in each case recipients of academic prizes will be vetted by a panel of independent experts in the field, and chosen based on a nondiscriminatory selection process. All prizes will be awarded to encourage and promote study and research that furthers the Center's exempt purposes.

See our supplemental responses to Schedule H, below, for more information about the Center's educational grants to individuals.

We estimate that the grantmaking component (both to individuals and organizations) will absorb approximately 5% of the Center's time, personnel, and funds.

3. Educational Activities and Public Outreach

The Center expects to organize and host, individually or in collaboration with other organizations, academic conferences, workshops, speaker series, and similar gatherings focused on matters relating to the political economy of MNCs connected to East Asia. Such events may include lectures, classes, and opportunities for participants to exchange ideas with other experts in the field. The Center's goal in sponsoring such events will be to promote academic study and to facilitate the exchange of information among academics, businesspeople, and policymakers in furtherance of the Center's exempt purposes.

The Center also expects to help facilitate an informed discourse about MNCs in the public media by having the Center's personnel give interviews to relevant media outlets and speak as experts in the field when asked, in connection with programs and journalistic pieces relating to the Center's exempt purposes. The Center may also provide relevant information and analysis to policymakers upon request in order to help them better understand the political economy of MNCs when crafting related policies.

We estimate that these activities will absorb approximately 10% of the Center's time, personnel and funds.

Dr. Yang serves as many hours as are necessary to complete his duties as Treasurer.

Qualifications. Dr. Yang is Associate Professor of Political Science at James Madison University, in Harrisonburg, Virginia. He specializes in Chinese politics, foreign policy decision-making, and political psychology. His research has appeared in numerous top-ranked scholarly journals and edited volumes. He also works as an independent consultant providing corporations, government agencies, and research institutes with information they need to understand and negotiate China’s unique political and business environment. He earned his Ph.D. in political science from Texas A&M University and his B.A. in diplomacy and international affairs from China Foreign Affairs University. Dr. Yang is fluent in Mandarin and English.

Question 5a: Conflicts of Interest Policy. A copy of the Center’s conflicts of interest policy is attached. The policy was adopted by Action of the Sole Incorporator, effective January 30, 2014.

Question 8: Leases/Contracts/Loans/Other Agreements with Officers, Directors, and Key Personnel.

The Center has entered into an arms-length employment agreement with Dr. Blanchard as its Executive Director, a copy of which is attached. The Center does not now have plans to enter into any other lease, contract, loan or other agreement with its officers, directors, or other key personnel. Should the Center consider that entering into an employment or other contractual agreement with an officer, director, or other key personnel is in its best interests, the Board of Directors will follow the procedures set forth in its Conflict of Interest Policy and Section 4958 of the Code.

Part VI: Benefits to Individuals and Organizations.

Question 1a: Goods, Services, or Funds Provided to Individuals. The Center expects to award academic grants and prizes to individuals to support and encourage study and
research projects related to the Center’s exempt purposes, as described under the sub-heading “Grantmaking - Grants to Individuals” in the supplemental response to Part IV, above. The Center’s grantmaking procedures will include an objective and nondiscriminatory selection process, and will be reasonably calculated to result in performance by the grantees of the activities that the grants are intended to finance. Recipients of academic prizes will be chosen based on a nondiscriminatory selection process and all prizes will be awarded to encourage and promote study and research that furthers the Center’s exempt purposes. The Center will not award academic grants or prizes to individuals based on the status of an individual as an employee of any particular employer. The eligibility requirements for the Center’s academic grants and prizes, once implemented, are described more fully in the supplemental response to Schedule H, Question 3, below.

The Center also expects to organize and host, individually or in collaboration with other organizations, academic conferences, workshops, speaker series, and similar gatherings focused on matters relating to the political economy of MNCs connected to East Asia. When economically feasible, the Center will not charge a fee for participating in such gatherings. However, if sufficient funds are not available to cover the costs of these programs, the Center expects to charge fees that will cover all customary and reasonable event costs while still encouraging optimal participation by individuals involved in the field. For more information about these programs, please see our discussion under the sub-heading “Educational Activities” in the supplemental response to Part IV, above.

Question 1b: Goods, Services, or Funds Provided to Organizations. The Center also expects to make grants to organizations to carry out projects that further the Center’s exempt purposes. Any grant funds provided to organizations that are not charitable and educational organizations described in Section 501(c)(3) of the Code and classified as public charities will only be given upon the condition that grant funds be used exclusively for charitable, scientific, or educational purposes. See also the discussion under the sub-heading “Grantmaking - Grants to Organizations” in the supplemental response to Part IV, above, as well as the supplemental response to Part VIII, Question 13, below.

Part VIII: Specific Activities.

Question 4a: Fundraising Programs. The Center’s initial funding has come from the Mr. and Mrs. S.H. Wong Foundation Limited. The Center is currently developing a more comprehensive fundraising plan, in which it anticipates being supported by a broad variety of individual donors and governmental and institutional grantors in the United States and abroad who support the Center’s educational and charitable mission. Initially, the directors of the Center intend to make use of their extensive personal networks to solicit charitable contributions
face-to-face, or by individualized mail, email, or telephone. As the Center grows, the fundraising tasks may be taken over by staff.

**Question 4b: Fundraising Contracts.** The Center has no current plans to enter into any written or oral contracts with any individuals or organizations to raise funds. However, if at some point in the future the Center finds it advantageous and in the best interests of the organization to engage a fundraiser, it may engage the services of a consultant. As the Center will be operating in California, it will comply with all applicable provisions of that state’s Nonprofit Integrity Act (the “NIA”). The NIA requires that charitable organizations enter into written contracts with commercial fundraisers or fundraising counsel for each solicitation campaign, event, or service, and specifies several provisions required to be included in such contracts. The NIA also requires all commercial fundraisers and fundraising counsel to register with the state prior to starting any solicitation. We have not attached any fundraising contracts because there are no such agreements in existence at this time.

**Question 4d: Locales Where Fundraising Conducted.** The Center will focus its early fundraising activities in California and Hong Kong as that is where its Executive Director and Board of Directors are located and/or have their strongest networks. However, because the understanding of the political economy of MNCs connected to East Asia is of great concern to people throughout the United States and abroad, the Center has no plans to limit its fundraising activities by geographic area. The Center has no plans either to fundraise for other organizations, or to allow other organizations to fundraise on its behalf, in its name. It may, however, receive donations from individuals via the websites of other organizations such as online giving sites or online workplace giving programs. In all cases the Center will comply with applicable state laws governing charitable solicitations.

**Question 10: Intellectual Property.** The Center intends to publish research results and other educational materials on the political economy of MNCs connected to East Asia. The production and distribution of these materials will help the Center accomplish its exempt purpose by educating the public about this subject matter in an apolitical and nonpartisan manner. The Center will produce and distribute materials connected with its educational activities in a noncommercial manner in compliance with Revenue Ruling 67-4, 1967-1 C.B. 121. The Center intends to retain the copyright on its materials. The Center’s publications will not contain commercial advertising. The Center expects any publication it may produce generally will be distributed without charge, though there may be occasions where the Center charges a fee in order to recoup publication production and/or distribution costs. Other than such material referred to above, the Center does not plan to own or have rights in intellectual property.
Question 11: Non-cash Contributions Accepted. The Center has no current plans to solicit or accept contributions of real property, closely-held securities, intellectual property, licenses, royalties, vehicles, or collectibles. If offered such assets, however, the Center’s Board would evaluate the possible use to the Center’s mission of any proffered in-kind gift, the risks and difficulties associated with holding or liquidating it, and any donor restrictions associated with the gift, on a case-by-case basis before deciding to accept any such gift. The Center would expect to liquidate all in-kind gifts promptly, unless useful in its operations or prohibited by the donor. Should the Center decide to accept any such gift, it will ensure that it is properly documented, including any donor-imposed conditions or restrictions. The Center will not accept any in-kind gift subject to donor-imposed conditions or restrictions unless the Center’s Board determined such conditions or restrictions are consistent with the Center’s charitable purposes and programs. No existing agreements concerning in-kind contributions currently exist, and therefore none are attached.

Question 12: Operations in Foreign Countries. The Center conducts several activities outside of the U.S. Currently, it has bloggers and researchers operating in China, and may also recruit volunteers residing in China and other parts of Asia as part of its charitable and educational purposes. The Center’s Executive Director will travel to East Asia several times a year in order to supervise volunteers, bloggers, and research assistants, and host or co-sponsor educational conferences and speaker events related to the nonprofit study of multinational corporations. As the Center grows, it may engage in other activities abroad, similar to the programs described under the sub-heading “Educational Activities” in the supplemental response to Part IV, above. In any event, the Center will only conduct activities abroad to the extent doing so serves its exempt purpose in the judgment of the Center’s governing body, and only so far as applicable law permits.

Question 13: Grants/Loans/Distributions to Organizations.

Question 13b: Grants to Organizations. The Center may make grants to qualified organizations to carry out activities that further the Center’s exempt purposes. The Center will make distributions only to the following organizational recipients:

(a) organizations exempt from federal income tax under Section 501(c)(3) of the Code; and

(b) other organizations exclusively for charitable, scientific, or educational purposes, with the Center retaining discretion and control (within the meaning of Rev. Rul. 68-489).
Question 13c: Contracts. The Center has not yet made any grants and, thus, has no contracts, or grant agreements to attach here. All grants to U.S. organizations that are not public charities, and any grants to non-U.S. organizations, will be governed by written agreements with grantees. The Center also expects to use written grant agreements for grants to U.S. public charities in support of specific projects. The content of the agreements will vary depending on whether the grantee is a U.S. public charity or a foreign organization and with the nature, location, and track record of the grantee. For example, the Center will build more protections into agreements with grantees that are recently formed, located in conflict zones, or present other factors judged by the Center to indicate a greater risk that assets may be diverted away from charitable purposes. Please also see the supplemental response to Question 13f(ii) below.

13d: Recipient Organizations and Relationships. The Center will not make grants to organizations that are controlled by any officers or directors of the Center or other related parties. The Center has not yet made any grants and, thus, cannot identify specific grantees in response to this question.

13e: Recordkeeping. The Center plans to keep a file on each grant that it makes. In that file, it will maintain a copy of the Executive Director’s approval, or the Board of Directors resolution (for grants above a certain amount) authorizing the grant, notes and records related to its pre-grant inquiries, a copy of the signed grant agreement between the Center and its grantee, a record of what funds under the grant agreement have been disbursed, copies of relevant reports on the use of the grant funds, and any other documents related to that grant.

13f: Description of Selection Process. The Center’s Board of Directors will select grantees based on information obtained and provided by the Center’s staff.

13f(i): Grant Application Form. The Center does not have any grant application forms at this time. Initially, the Center expects to invite potential grantees for formal Center grant programs to submit grant proposals. It will develop application forms in the future.

13f(ii): Grant Agreements. When appropriate, the Center will require potential grantees to submit detailed grant proposals to describe how they would use funds provided by the Center. If a proposal is accepted from an organization that is not a charity as defined under Sections 501(c)(3) and 509(a) of the Code, the Center will first enter into a grant agreement with the organization before granting funds. The grant agreement will set forth the grantor’s and grantee’s responsibilities. It will require the grantee to use funds only for grant purposes, provide periodic written reports on the use of grant funds, provide ongoing written
reports and accountings, and acknowledge the grantor’s authority to withhold or recover funds if abuse occurs.

13g: Oversight Procedures. The level of scrutiny will vary with the nature of the entity and the circumstances of the grant, as noted in the discussion of contracts at Question 13c. A grant to a U.S. organization with a proven record of effectiveness will require less oversight than a grant to a foreign organization that operates in a conflict zone, or an area where corruption is endemic. As noted in Question 13f, the Center will require periodic reports and will review them to determine whether further inquiry is warranted.

Question 14: Grants/Loans/Distributions to Foreign Organizations.

14b: Names of Foreign Grantees. The Center has no immediate plans to make any grants to non-U.S. organizations and therefore cannot provide the names of grantees or their locations.

14d: Contributors' Knowledge of Sole Authority. The Center will make contributors aware that the Foundation, by law, has authority and discretion to use all funds received for purposes consistent with its exempt purposes.

14e: Pre-grant Inquiries. For all grantees, whether foreign or domestic, the Center will investigate the organization’s financial situation and its ability to accomplish the charitable purposes for which the particular grant is intended. Grantees located outside the U.S. may or may not be organized as charities, depending on the circumstances in the country where the grantee is located. For example, in some countries registration as a charitable organization may be difficult and costly, and effective organizations may not have charitable status. The Center does not want to exclude such organizations from eligibility for funding. Accordingly, the Center’s pre-grant inquiries will focus on whether a grantee is organized and operated in a manner that enables it to carry out activities that further the Center’s purposes. The Center will also assess the potential grantee’s location and operations, as well as the diversity and expertise of the Center’s governing body and leadership staff, for any indication of a higher than usual risk that charitable assets may be diverted to non-charitable purposes (e.g., private benefit or, in the worst case, terrorist activities).

14f: Additional Oversight Procedures. The Center will assess the risk that charitable assets may be diverted away from their intended purposes and will use such additional oversight procedures as may be necessary or appropriate in the circumstances to manage that risk. For example, depending on the circumstances of particular grants, the Center may perform site visits or may engage accounting firms or consultants to perform additional oversight at the local level. Because the Center has not yet considered any grants to foreign

recipients, it has not yet developed specific procedures. However, in making any grants to foreign organizations, the Center will at all times comply with rules issued by the U.S. Department of the Treasury’s Office of Foreign Assets Control (OFAC) and will adhere to all statutes, executive orders, and regulations restricting or prohibiting U.S. persons from engaging in transactions and dealings with countries, entities, or individuals subject to economic sanctions administered by OFAC. Specifically, the Center will:

- Check prospective grantees against the Specially Designated Nationals List maintained by OFAC;
- Require all overseas grantees to certify that they will not use any grant funds to support or engage in violent or terrorist activities;
- Conduct careful due diligence on each prospective grantee; and
- Promptly investigate any apparent misuse of grant funds.

**Question 15: Close Connection With Another Organization.** The Center does not share common control with another organization within the meaning of this term; however, the Mr. and Mrs. S.H. Wong Foundation, a Hong Kong company limited by guarantee, acting through a duly authorized representative (the “Foundation”), maintains the following privileges with respect to the Center under the Center’s Bylaws: the Foundation has the right to designate a minority of directors, the right to participate in the selection of the Executive Director, and the right to approve or reject proposed amendments to the Center’s Articles of Incorporation. This structure is intended to ensure that the Center retains its charitable and educational purposes, and to facilitate cooperation between the Center and East Asian nonprofit and educational organizations.

**Question 22: Scholarships, Fellowships, Educational Loans/Grants to Individuals.** We attach a completed Schedule H.
Schedule H: Educational Grants to Individuals, Section I.

Question 1: Description of Program. While the Center has no immediate plans to do so, it will likely eventually award grants to qualified individuals to study and conduct research projects that further the Center’s exempt purposes. Initially, the Center expects that grants will be provided to support the research of one or two senior scholars pursuing such projects annually. Eventually, grants may also be awarded to graduate students pursuing related research. Individual grant recipients will be selected based on their potential to fulfill the mission of the Center. The Center will enter into a written grant agreement with each individual grantee, which generally will restrict the grant funds to costs relating to the conduct of the applicable study or research project. Because the program has not yet been implemented, the Center has not yet determined the size of the grants it may make.

The Center may also award an annual Mr. & Mrs. S.H. Wong Center for the Study of Multinational Corporations Prize to individuals who have made an important academic contribution to the study and analysis of the political economy of MNCs connected to East Asia. The purpose of this prize will be to encourage study and analysis and raise awareness about the relevance of this field of study in identifying effective means of addressing societal issues. The Center has not yet determined the specifics of the nomination and selection process. However, in each case recipients of academic prizes will be vetted by a panel of independent experts in the field, and chosen based on a nondiscriminatory selection process. All prizes will be awarded to encourage and promote study and research that furthers the Center’s exempt purposes.

Question 2: Case Histories. When the Center is ready to implement these programs, it will maintain the records required by Revenue Ruling 56-304, 1956-2 C.B. 306, regarding distribution of charitable funds to individuals.

Question 3: Specific Criteria of Eligibility. When the Center is ready to implement these programs, it will develop specific criteria. There will be no limitations or restrictions in the selection procedures based upon race, religion, national or ethnic origin, or other illegally discriminatory criteria. However, preference may be given to applicants from China or Hong Kong in some instances, or from groups (such as racial and ethnic minorities) that have historically been denied opportunities and access. The Center may also impose other restrictions from time to time, such as additional geographic limitations (e.g., limited to students from disadvantaged rural and urban areas) or subject-related limitations (e.g., limited to students majoring in a particular topic). Individuals who are employed by organizations controlled by a director of the Center, members of its Board of Directors, or related by blood or marriage to employees or directors of the Center or organizations controlled by a director of the Center, will
not be eligible for grants from the Center. The number of potentially eligible individuals is too large and uncertain to estimate at this time.

**Question 4: Selection of Recipients.**

4a: *Specific Criteria for Selection.* When the Center is ready to implement this program, it will develop specific criteria. As indicated above, its objective will be to identify students who demonstrate financial need and either (1) a record of academic achievement or (2) the potential, and the desire, for academic achievement in this particular field.

4b and c: *Number and Amount of Scholarships.* The number and amount of scholarships which the Center may make to individuals will depend on the quantity and quality of applications received by the Center, the philanthropic priorities of the Center’s Board of Directors, and the funds available. As this program has not yet been implemented, it is not possible to estimate how many scholarships will be made each year to individuals.

4d: *Criteria for Obtaining Grant Renewal.* The Center currently has not developed any criteria for renewing grants. It may make single-year grants.

**Question 5: Supervision of Scholarships.** As with its other individual grants, the Center will require each recipient to sign a Scholarship Agreement before any funds are disbursed. Using the reports required by the Scholarship Agreement, the Center will monitor and evaluate the expenditure of funds and the progress made by each recipient. Any apparent misuse of grant funds will be promptly investigated. If the Center discovers that funds have, in fact, been misused, it will require the recipient to return the funds immediately, and it will make no further distributions to that recipient. The Center will also maintain the records required by Revenue Ruling 56-304, 1956-2 C.B. 306, regarding distribution of charitable funds to individuals.

**Question 6: Selection Committee.** An independent evaluation panel, most likely drawn from members of the Center’s Advisory Board, will select grant recipients.
THE MR. AND MRS. S.H. WONG CENTER FOR
THE STUDY OF MULTINATIONAL CORPORATIONS

CONFLICT OF INTEREST POLICY

Article I: Purpose

This conflict of interest policy is designed to foster public confidence in the integrity of The Mr. and Mrs. S.H. Wong Center for the Study of Multinational Corporations (the "Wong MNC Center") and to protect the Wong MNC Center’s interest when it is contemplating entering a transaction (defined below) that might benefit the private interest of a director, a corporate officer, the top management or top financial official, a key employee (defined below), a person with substantial influence over the Wong MNC Center, or other interested person.

Article II: Definitions

As used throughout this policy, the terms below shall be defined as follows:

Insider means a person with substantial influence over the Wong MNC Center. The following four categories of persons are deemed to have substantial influence over the Wong MNC Center, and therefore are considered “insiders” for the purposes of this policy:

1. Each member of the Board of Directors or other governing body.

2. The president, chief executive officer, chief operating officer, treasurer and chief financial officer, executive director, or any person with the responsibilities of any of these positions (whether or not the person is an officer of the Wong MNC Center under the Wong MNC Center’s Bylaws and the California Corporations Code).

3. Any other person whom the Board, based on the facts and circumstances, determines to have substantial influence over the Wong MNC Center. Such persons may include a founder of or a substantial contributor to the Wong MNC Center, a person with managerial authority over the Wong MNC Center, or a person with control over a significant portion of the Wong MNC Center’s budget (such as a key employee).

4. Any person who met any of the above definitions at any time during the five years before the proposed transaction.

Interested person includes insiders in any of the four categories above and any person described in either of the two categories below.

5. Spouses, ancestors, children, grandchildren, great-grandchildren, brothers, sisters, and the spouses of their children, grandchildren, great-grandchildren, brothers, and
and sisters of any individual listed in categories 1 – 4 above.

6. Any entity in which any combination of persons listed above in categories 1 – 5 holds more than 35 percent of the combined voting power, if the entity is a business corporation; profits interests, if a partnership; or beneficial interest, if a trust or estate.

*Key employee* means an employee whose total annual compensation (including benefits) from the organization and its affiliates is more than $150,000 and who (a) has responsibilities or influence over the organization similar to that of officers, directors, or trustees; or (b) manages a program that represents 10% or more of the activities, assets, income, or expenses of the organization; or (c) has or shares authority to control 10% or more of the organization’s capital expenditures, operating budget, or compensation for employees.

*Interest* means financial commitments, investments, obligations, economic benefits, or other relationships between an interested person and the Wong MNC Center that are subject to Internal Revenue Code Section 4958, California Corporations Code Sections 5231-5238, or any other applicable federal, state, or local law or regulation governing conflicts of interest or fiduciary duties that requires any action by the Wong MNC Center.

A *conflict of interest* is present when, in the judgment of the body or individual determining whether a conflict exists, an interested person’s financial stake in the transaction is such that it reduces the likelihood that an insider’s influence can be exercised impartially in the best interests of the Wong MNC Center (or as may otherwise be defined by applicable law).

*Person* means any individual or entity, including a trust, estate, partnership, association, company, or corporation.

*Transaction* means any transaction, agreement, or arrangement between an interested person and the Wong MNC Center, or between the Wong MNC Center and any third party where an interested person has an interest in the transaction or any party to it. Transactions specifically identified as presenting no conflict of interest by applicable law, or under a corporate policy adopted by the Board of Directors to govern certain similar transactions and impartially administered, are excepted from the term transaction for purposes of this policy. Nothing in this policy permits the Wong MNC Center to engage in a transaction prohibited by law.

**Article III: Procedures**

1. *Duty to Disclose*

   Each interested person shall disclose to the Board, or to the Executive Committee or other Board Committee empowered to approve a specific transaction or type of transaction ("Committee"), all material facts regarding his, her, or its interest (including relevant affiliations) in the transaction. The interested person shall make that disclosure promptly upon learning of the proposed transaction. Insiders shall make disclosures on behalf of interested persons related to them unless the related interested person does so. (Committee powers and procedures depend on state corporate law and the authority properly delegated to the Committee by the Board.)
Committee actions taken under this policy must also comply with such law and authority.)

2. Determining Whether a Conflict of Interest Exists

With regard to an interested person, the Board or Committee shall determine if a conflict of interest exists. The insider(s) and any other interested person(s) involved with the transaction shall not be present during the Board or Committee’s discussion or determination of whether a conflict of interest exists, except as provided in Article IV below.

3. Procedures for Addressing a Conflict of Interest

Once a conflict of interest has been found:

The Board or Committee shall follow the procedures set forth in Article IV in order to decide what measures are needed to protect the Wong MNC Center’s interests in light of the nature and seriousness of the conflict, to decide whether to enter into the transaction and, if so, to ensure that the terms of the transaction are appropriate. In the case of an insider who is a director, the director shall not vote on any transaction in which the director has an interest, and the remaining Board or Committee members shall decide the matter.

Article IV: Review by the Board or Committee

The Board or Committee may ask questions of and receive presentation(s) from the insider(s) and any other interested person(s), but shall deliberate and vote on the transaction in their absence. The Board or Committee shall ascertain that all material facts regarding the transaction and the interested person’s conflict of interest have been disclosed to the Board or Committee, and shall compile appropriate data to ascertain whether the proposed transaction is fair and reasonable to the Wong MNC Center.

After exercising due diligence, which may include investigating alternatives that present no conflict, the Board or Committee shall determine whether the transaction is in the Wong MNC Center’s best interest, for its own benefit, and whether it is fair and reasonable to the Wong MNC Center; the majority of members of the Board or Committee then in office may approve the transaction. Decisions regarding a director with a material financial interest in a transaction may be made initially by a Committee where it is not reasonably practicable to obtain advance Board approval, but must be ratified by the Board at the Board’s next meeting. If the transaction does not involve a director with a material financial interest, the transaction can be approved by the Board or Committee by majority vote of those present at a meeting for which quorum requirements have been met.

Article V: Records of Proceedings

The minutes of any meeting of the Board and any Committee pursuant to this policy shall contain the name of each interested person who disclosed or was otherwise determined to have an interest in a transaction; the nature of the interest and whether it was determined to constitute a conflict of interest; any alternative transactions considered; the members of the Board or Committee who were present during the debate on the transaction,
those who voted on it, and to what extent interested persons were excluded from the deliberations; any comparability data or other information obtained and relied upon by the Board or Committee and how the information was obtained; and the result of the vote, including, if applicable, the terms of the transaction that was approved and the date it was approved.

The records must be prepared by the later of the next meeting of the Board or Committee or 60 days after the final action of the Board or Committee with respect to the transaction, and must be approved by the Board or Committee within a reasonable time afterwards.

**Article VI: Annual Disclosure and Compliance Statements**

Each director, each corporate officer, the top management official, the top financial official, and each key employee of the Wong MNC Center, and others that the Wong MNC Center may identify, shall annually sign a statement, that:

- affirms that the person has received a copy of this conflict of interest policy, has read and understood the policy, and has agreed to comply with the policy; and

- for certain individuals, discloses the person’s financial interests and family relationships that could give rise to conflicts of interest,

in the form attached to this policy. All such statements by directors and officers shall be filed with the minutes of the meetings of the Board or Committee; statements by others shall be retained in their personnel files.

**Article VII: Past Transactions; Violations**

If the Board has reasonable cause to believe that an insider of the Wong MNC Center has failed to disclose actual or possible conflicts of interest, including those arising from a transaction with a related interested person, it shall inform such insider of the basis for this belief and afford the insider an opportunity to explain the alleged failure to disclose. If, after hearing the insider’s response and making further investigation as warranted by the circumstances, the Board or Committee determines that the insider has failed to disclose an actual or possible conflict of interest, the Board or Committee shall take appropriate disciplinary and corrective action.

In situations where a transaction involving a conflict of interest is discovered after it has already occurred or begun (because, for example, the interest was inadvertently not disclosed prior to the transaction, or the Wong MNC Center’s leadership did not realize that a review was necessary or advantageous), the Board or Committee shall conduct a review as described above in Article IV, and determine whether disciplinary or corrective action is possible or warranted. In appropriate cases, the Board or Committee may determine, upon completion of the review, that ratification of the transaction is in the Wong MNC Center’s best interest, for its own benefit, and is fair and reasonable to the Wong MNC Center.
Article VIII: Annual Reviews

To ensure that the Wong MNC Center operates in a manner consistent with its charitable purposes and its status as an organization exempt from federal income tax, the Board shall authorize and oversee an annual review of the administration of this conflict of interest policy. The review may be written or oral. The review shall consider the level of compliance with the policy, the continuing suitability of the policy, and whether the policy should be modified and improved.

CONFLICT OF INTEREST POLICY:
ACKNOWLEDGMENT AND FINANCIAL INTEREST DISCLOSURE STATEMENT

The Wong MNC Center follows a conflict of interest policy designed to foster public confidence in our integrity and to protect our interest when we are contemplating entering a transaction or arrangement that might benefit the private interest of a director, a corporate officer, our top management official and top financial official, any of our key employees, any person with substantial influence over the Wong MNC Center, or other interested persons.

Part I. Acknowledgment of Receipt

I hereby acknowledge that I have received a copy of the conflict of interest policy of the Wong MNC Center, have read and understood it, and agree to comply with its terms.

Part II. Disclosure of Financial Interests (directors, corporate officers, top management official, top financial official, and key employees only)

We are required annually to file Form 990 with the Internal Revenue Service, and the form we file is available to the public. In order to complete Form 990 fully and accurately, we need each officer, director and key employee to disclose the information requested in this Part II. If you are not an officer or director of the Wong MNC Center, we have determined that you qualify as a key employee under IRS definitions.

A “conflict of interest,” for purposes of Form 990, arises when a person in a position of authority over an organization, such as an officer, director, or key employee, may benefit financially from a decision he or she could make in such capacity, including indirect benefits such as to family members or businesses with which the person is closely associated.¹

Only financial interests must be listed on this disclosure form.

The purpose of this disclosure is to provide the Board of Directors or other governing body with a meaningful opportunity to determine whether a conflict of interest exists, by disclosing any interest that could give rise to a conflict of interest. Complete, accurate disclosure gives the governing body information it needs to fulfill its fiduciary obligations and to make decisions that are in the best interest of the organization.

¹ This definition applies for purposes of this Part II disclosure form and is more limited than the definition of a conflict of interest under the Wong MNC Center’s policy.
